Land 682 m2

Achieving a lavish sense of space from its highly intuitive layout, this near-new address unites tailored modern style with timeless family comfort. Framing a glorious top-floor outlook to the Blue Mountains, it features multiple sunlit living areas, a gourmet poly/Caesarstone gas kitchen and a wide timber staircase. Resort-style alfresco entertaining is designed under the main roof, and integrates seamlessly with the in-ground pool via glass fencing. Tucked into a whisper-quiet street setting opposite Abington Reserve, the property's blue-ribbon lifestyle appeal is completed to perfection.

- Light-filled family living venue plus grandly proportioned formal dining
- Separate home theatre, open study, three elegant full bedroom suites
- In/out flow to private north-facing deck and pool with water feature
